CONSTRUCTIONS MECANQUES - MATERIELS DE MANUTENTION

LIMBEROLLER[®] rollers PUD

To equip your belt conveyors

ROLLER LIMBEROLLER[®] POLYURETHANE WITH RESIN HOOK CAP / IRON HOOK CAP

Belt dimensions	A	B	C	G Type 1	Nb of ext. discs	Nb of discs	Weight of resin hook cap	Resin hook cap reference	Iron hook cap weight	Iron hook cap reference
400 / 16"	705	675	483	76	6	8	2,000	389.0240	2,905	389.0270
500 / 20"	794	764	584	76	6	9	2,185	389.0241	3,090	389.0271
650 / 26"	948	918	748	76	6	11	2,445	389.0242	3,350	389.0272
800 / 32"	1 102	1 072	892	76	6	13	2,740	389.0244	3,640	389.0274
900 / 36"	1 192	1 162	988	76	8	15	3,000	389.0245	3,890	389.0275

Some advantages of this LIMBEROLLER[®] :

- High abrasion resistance (5 to 7 times more than neoprene).
- Self cleaning (due to disc flexibility under conveyor belt load).
- Resistance to chemical attack.
- Ideal idler for food conveyor (due to white colour and non-toxicity of discs).

Polyurethane LIMBEROLLER[®] exist with 2 discs versions :

- PUD : unclogging discs (photo above)
- PU : anti clogging discs (photos below)
